16 | Planning Commission @ 6 PM

23 | City Council @ 6 PM

23 | Spring Cleanup through June 10th

28 | Memorial Day

30 | Recycling Day

31 | Garbage Day

YOUR LOCAL GOVERNMENT INFORMATION STATION

Vineyard City has elected officials and staff who work hard each day to assure that the City is running and developing smoothly and that your needs as a resident are being met. However, local government can sometimes be a bit of a mystery to those who aren't involved in it daily. So we've created GOV 101 to demystify it a bit. Every month, you can come here to find out more about what your local government does everyday to make Vineyard great!

RECORDER'S OFFICE

The City Recorder's office consists of the City Recorder, Deputy Recorder, and Records Management Assistant/Business Licensing Coordinator.

The City Recorder's office is the custodian of all official city records including agendas, minutes, ordinances, resolutions, proclamations, and business licensing. This record retention and management is a key function of this office. The Recorder's office updates and maintains the municipal code for public access and administers all municipal elections. They also receive and process GRAMA requests, which allow the public to make requests for records from the appropriate Utah government official or agency.

Questions you might pose to the City Recorder's Office:

- How can I look at a specific ordinance that was passed by City Council?
- Is there an email list I can sign up for to receive City Council Agendas prior to the meetings?
- What do I do if I want to request city records?
- How do I know if I need a city business license for my home business?
- How do I update my voter registration?

We have no shortage of information on how your local government works that we want to share with you, but if there is something specific you'd like to learn more about, please reach out to us by phone at (801) 226-1929 or by email at info@vineyardutah.org.

SANITATION SCHEDULE

Last month Republic Services made changes to the collection schedules for cities around Utah County. The collection day for garbage moved from Tuesday to Wednesday. The collection day for recycling is still every other Tuesday. It is important that you have your **cans out by 7 AM** or they may be missed. With the new schedule, Vineyard has been towards the beginning of their route. You can find the new sanitation schedule on our [website](#).

INCREASED WATER USAGE

Warmer weather and watering your lawn mean an increase in your water usage! Here are some tips to keep in mind for water conservation and **saving money on your utility bill!**

- Follow the [Utah Division of Water Resources Weekly Watering Guide](#)
- Water before 10 AM or after 6 PM
- Water when there is little to no wind
- Let grass grow 3"-3^{1/2}" for healthier, deeper roots
- Spread grass clippings to hold in moisture and keep your lawn cooler
- Use the cycle soak method when watering
- Invest in a smart watering system

SHERIFF'S DEPARTMENT

Join us on May 19th at Franklin Discovery Academy at 10:00 AM for our Bike Rodeo! Kids will learn proper bike safety from your local Sheriff's Department! Then they will have an opportunity to ride through the bike rodeo course!

VINEYARD BIKE MONTH

Join Vineyard during the month of May as we celebrate Bike Month! We will have events throughout the month like Bike to Work, Bike to School, a Bike Rodeo, and more! Participate in Bike Month for a chance to win prizes and gift cards from our amazing sponsors, as well as our Bike Month t-shirt! RSVP to the [Facebook event](#) for more details!

SOLICITOR LICENSES

In Vineyard, selling door-to-door requires a license. Licensed solicitors will have an ID badge issued by the city which must be worn prominently while soliciting. To report a violation, call Utah County Non-emergency Dispatch at 801-794-3970.

ELECTIONS

In this year's elections we will be electing State and Federal officials. Utah County will be running an all vote-by-mail election. Watch for your ballot in the mail in June. If you haven't yet, update your voter registration at vote.utah.gov.

SPRING CLEANUP

This year, Vineyard is excited to offer a Spring Cleanup program! From May 23 - June 10, you will see large dumpsters placed throughout the city. You will find them at Gammon Park, the 18-acre park, and just off Center Street in the Shores subdivision. All three dumpsters will be available for all Vineyard residents. Watch our website and social media for more details!

VINEYARD HERITAGE DAY

When: Saturday, May 12th | 11:00 AM-3:00 PM
Where: Gammon Park

Vineyard City is celebrating its heritage with a free community event! Bring your friends, family and neighbors and enjoy all the activities, food, and entertainment the event has to offer.

Gammon Park will be lined with booths and activities showcasing many of the local organizations that make Vineyard an attractive place to live, work, learn and play! Live entertainment on the main stage will

include: a flag ceremony at 11:00 am followed by Timmy the Teeth, singer-songwriter Cortlyn Sondrup, Jason Clawson's chin-balancing act, a magic show by Great Scott Magic, elementary school performances, and much more.

Be sure to come to the event hungry! You'll be able to order lunch from some of your favorite food trucks. We've got a great line-up which includes: The Corndog Commander, Melty Way, Waffle Love, Kona Ice, Harry's Food Truck, Ernie's Sports Deli, and Family Squeezed Lemonade.

Event attendees will be able to participate in pioneer games such as gunny sack races, corn hole toss competition, and a stick pull challenge, for a chance to win prizes and giveaways. Other activities include pony rides, a petting zoo, mini train rides, an old-time photo booth and a candy cannon. And don't forget to stop by the pavilion at the event and grab a free scoop of ice cream provided by Anderson Geneva starting at 12:30 pm.

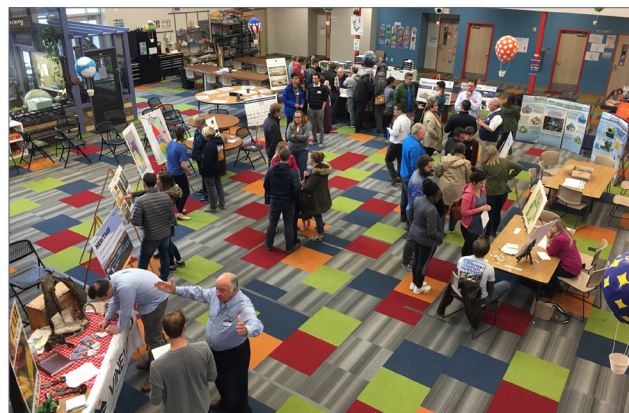

Get ready to discover Vineyard's roots and experience the amazing quality of life we find in Utah Valley. Bring your blankets and chairs and plan to stay a while!

VINEYARD HERITAGE COMMISSION CORNER

As we look forward to getting our very "first" grocery store in Vineyard it would be good to look back some years, about 110 years to be exact, to learn of the first Grocery (general merchandise store) store in Vineyard. In the early 1900's the Axel Andreasen family moved to Vineyard and opened the first such store at 100 North Geneva Rd. It was an "old-time" country store that sold everything from "ribbons to coal". By 1910 business was so good that the store had to be expanded. In 1918 Hyrum Larsen leased the Andreasen store and then in 1921 built the new Vineyard Mercantile Store at the end of Orem Center Street and Geneva Road. The new store carried a full line of canned goods, meats, hardware, tools, clothing, shoes, and coal. A hand-operated gas pump provided gasoline for 17 cents a gallon to the few owners of the "horse-less carriage". (Sounds like a combination of Maverik, Home Depot, Target, Smiths and Michaels?). This store came to be known in the 1930's as the "Red and White Store" and continued as a mercantile store for another decade.

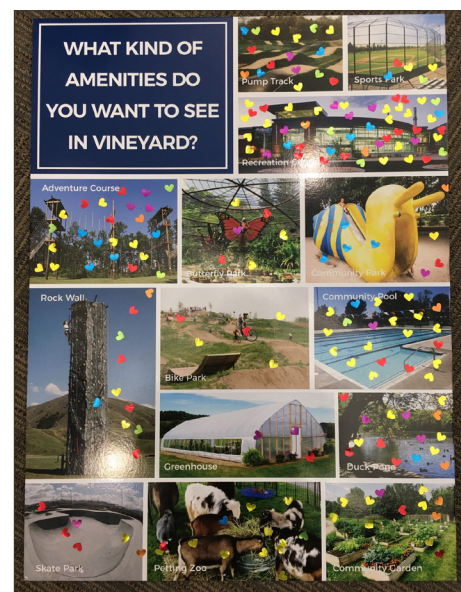

GENERAL PLAN PUBLIC OPEN HOUSE UPDATE

As part of the community outreach process for the Vineyard General Plan update, an Open House was held on April 12th at Franklin Discovery Academy. There were approximately 240 people in attendance. As part of the Open House, city staff prepared poster presentations about specific General Plan topics, including heritage, land use, transportation, sustainability, and open space. The purpose of the open house was to give interested members of the public an opportunity to ask questions, provide feedback, and leave comments on each of these topics.

The city received lots of great feedback. Among these, residents emphasized the following topics:

- Well-connected trails with attractive parks
- Attract a grocery store and other essential services
- Pursue the development of a recreation center, library or community pool
- Provide areas in parks allowing dogs to be off-leash like a dedicated dog park
- Establish unique recreational uses like climbing walls, adventure park or bike pump track
- Continue to clean-up and develop the Utah Lake Shoreline appropriately
- Build the Center Street Overpass & Front Runner Train Station soon
- Provide dedicated space to commemorate Vineyard's history and heritage
- Establish uses that cater to night life and attract a brewery, tavern or quality restaurants that serve adult beverages

There will be several more opportunities to provide feedback. An online survey will be available in June to help the city better understand issues residents feel are important.
